ST. VINCENT DE PAUL

CATHOLIC PARISH

Welcome to our 32nd Annual Great Expectations Gala! We are deeply grateful for your participation in our Gala, and your support of Saint Vincent de Paul Parish and School. In embracing the spirituality of stewardship, we, as a Parish and School, have ordered all that we are and do to the Lord with the gift of our first fruits. In committing to giving back to the Lord our first fruits of prayer communally, as in joining together each Sunday at Mass, and individually in committing to tithing our time in prayer, we have rooted ourselves as a community together in the Lord. Furthermore, we are surrendering to the Lord the most precious gift of our time with the generosity of our talents. And as a parish and school community, we too give the first fruits of our treasure, once again, individually and jointly. We tithe our time, talent, and treasure within the framework of remembering who we are—sons and daughters of the Heavenly Father; trusting enough to let go and let God; and showing our love by putting God first in our lives and in our spending. Thus, we are heeding Jesus' words: "You shall love the Lord, your God, with all your heart, with all your soul, and with all your mind" (Mt. 22: 37). This evening is also a reflection of our spirituality of stewardship in time, talent, and treasure.

Moreover, any faithful spirituality is about putting the Lord first and evangelizing. The reason we give to the Lord our prayer, time, talent, and treasure is because He calls us to Himself. To his first disciples and to us, Jesus says, "Come follow Me" (Mt. 4:19). As a ministry of Saint Vincent de Paul Parish, our parish school exists to do just that—to bring souls to the Lord of Glory. One may ask how this is done. The answer comes with the living of our school theme this year: "Jesus said, 'There is no greater love than this, to lay down one's life for one's friends'" (Jn. 15:13). At St. Vincent de Paul Catholic School, with parents as the primary educators of their children and in supporting them, our dedicated faculty and staff daily lay down their lives for our children in teaching, forming, sacrificing and praying. These faith-filled individuals give of their first fruits to the Lord and His flock thereby heeding Jesus' words: "Let the little children come to Me and do not prevent them for the Kingdom of Heaven belongs to such as these" (Mt. 19:14). This is Catholic Education; this is St. Vincent de Paul Catholic School. Thank you for your presence here this evening and for the stewardship of your time and treasure. By your presence and your generous support, you are cooperating and contributing to the furtherance of God's Kingdom here on earth as we form educated citizens of this world and citizens of the Kingdom of Heaven.

We would like to especially thank our honorary Gala co-chairs, Erin Stine and Becky Morley for giving of their time and talent to our parish school and specifically to our Great Expectations Gala. The energy and excitement that Erin and Becky have brought to this event has brought great joy and even greater communion to our school community. Thank you, Erin and Becky, for your many hours of work and dedication on behalf of our school and for doing so without counting the cost, seeking only to do all that is possible to support our parish school. Additionally, we would like to thank all of our volunteers, who have generously given of their time to make our Ports of Call Gala possible, as well as Melissa Toner and Michele Able with Take Back Your Time. To each and every one of you, thank you for your planning, organizing, executing, and all of your "behind the scenes work." Without every piece contributed by each of you, this evening would not be possible. Thank you!

As we enjoy this evening with one another in support of our school, we lay everything into Our Lord's loving Hands, entrusting each of you, your families, our parish and our school to Him under Our Lady's protection. Thank you again for attending our Great Expectations Gala! God bless you.

Sincerely in Christ,

Rev. Andrew Kemberling

Special Acknowledgments

From your 2015 Co-Chairs: We would like to give special thanks/acknowledgments to the following folks who made this Gala's planning a breeze...

First, to all of our sponsors. Thank you for your generous support of SVdP! We are blessed to have such funding for our school and parish.

Second, to all the veterans and rookies who volunteered to be chairs for various Gala capacities. We greatly appreciate you contributing your precious time and energy to make this event a success!

Third, to all our donors. We wouldn't have a silent or loud auction without your generous support. Thank you for donating your time, talent and treasure to help make the Gala a success!

Fourth, to our parish and school faculty and staff for sustaining this endeavor year after year with a smile on your face.

Finally, to our vendors. The overall planning of the Gala was facilitated by Michele Able and Melissa Toner of Take Back Your Time (TBYT). Our Gala identity and print work was created by Jay Ezell, Renegade Designer of Studio JPXE and printed by Egan Printing. Thanks to them for a wonderful job!

General Auction Rules

Applicable to the Silent Auction, Loud Auction, and to the Gala generally:

1. Values for goods and services are estimates. St. Vincent de Paul Parish & School, and their employees and volunteers express no opinion, and make no warranty, regarding the value of any good or service or any tax consequence of your purchase of any item.

2. ALL SALES ARE FINAL. There will be no exchanges of goods or services except where specified. Please note specifications and limitations carefully.

3. Cashiers will calculate the total of each bidder's purchases. ALL ITEMS SHALL BE PAID FOR AND REMOVED FROM THE PREMISES BY THE END OF THE EVENING. Visa, MasterCard, and checks will be accepted. Checks should be made payable to "Great Expectations."

4. All services, trips, gift certificates, and parties are subject to availability and must be used within one year of March 7, 2015 unless otherwise noted. Taxes, tips, and beverages are generally not included in restaurant or other service certificates unless specified.

5. If any misunderstanding or dispute arises, the Gala Chairperson, Fr. Andrew Kemberling, and Sister Maria Ivana will make a final and non-appealable decision.

6. An attempt has been made to catalog and describe the auction items correctly, but all items (whether goods or services) are sold AS IS, WHERE IS, WITH NO EXPRESS OR IMPLIED WARRANTIES MADE OR GIVEN by St. Vincent de Paul Parish & School, or their employees and volunteers. No statement, whether in writing in the catalog or elsewhere or made orally at the auction or elsewhere, is or forms a representation or warranty of any kind by St. Vincent de Paul Parish & School, or their employees and volunteers regarding an item's quality, value, or content.

The buyer of each item shall and does rely solely on his or her own judgment regarding the item's quality, value, and

content, and the decision to purchase any such item is solely that of the purchaser. St. Vincent de Paul Parish & School and their employees and volunteers assume no liability on behalf of the Church, School, or themselves for any act or omission relating in any way to the Gala and items offered at the Gala. The buyer of any good or service waives all claims and causes of action, and shall not assert a claim or cause of action, against St. Vincent de Paul Parish & School, their employees and volunteers, and the donor(s) of any good or service, that relates in any way to, or arises out of, the buyer's purchase of any item at the Gala. The claims and causes of action hereby waived include, but are not limited to, claims for personal injury, property damage, and for value received for any item. If any such claim or cause of action is asserted, the person asserting such claim or cause of action shall be liable for reasonable and necessary attorneys' fees incurred as a result of such claim.

7. In consideration of attendance at the Gala, each attendee waives any claim or cause of action, and shall not assert a claim or cause of action, against St. Vincent de Paul Parish & School, and their employees and volunteers for any personal injury occurring at the Gala or following the Gala, or at any event advertised or sold at the Gala, or for property damage or loss occurring at the Gala. If any such claim or cause of action is asserted, the person asserting such claim or cause of action shall be liable for reasonable and necessary attorneys' fees incurred as a result of such claim.

8. The use of all facilities or services is subject to specific reservations. Please be sure before you bid on an item that you are aware of any restrictions, including those regarding times and dates. ALL SALES ARE FINAL.

Loud Auction Rules

1. Bidding for items in the Loud Auction will begin at approximately 8:30 p.m. Items will be presented by the auctioneer.

Note: Items may be auctioned off in different order of print catalog.

2. Bid on an item by raising your bid number card. Spotters will assist the auctioneer in identifying bids. The auctioneer will announce the winning bid and bid number for each item.

Acceptance of the high bid becomes a binding obligation on the bidder to make payment in full for that item by the end of the evening.

3. Syndication is a logical way to join together with friends to share large ticket items. The buyers split the cost and double the fun—and St. Vincent de Paul benefits! A syndication bid must be submitted under a single bid number.

\$100 Loud Auction Drawing

The week before and on the night of the Gala, 100 raffle tickets will be sold for \$100 each. Just prior to the start of the loud auction, the winner of this raffle will be able to choose one of several of the loud auction items. Note: Some of the loud auction items are excluded from this raffle.

Casino Games

We are excited to bring you something new and interactive this year. There will be various casino games available to play from 6:30 p.m. to 10:15 p.m. When you check in at the Gala registration desk, you will receive your welcome packet. In the packet, along with your loud auction bidder number, you will find a 200 point voucher (per person) to use at the gaming tables. At 10:15 p.m., the person with the most points will win a \$1,000 credit toward tuition at SVdP for the 2015-2016 school year!

Wine Pull

The Wine Pull replaces Instant Prizes from years past. Wine may be purchased for \$25. You will receive a cork that specifies which bottle you received. In addition, one of the bottles contains a \$1,000 credit toward tuition at SVdP for the 2015-2016 school year! The announcement of the winning cork will be made during the Loud Auction. Best of luck! Your wine bottle will be available during check out for you to take home.

Silent Auction Rules

1. Bid numbers will be issued to all registered guests upon arrival. If you wish to purchase a Wine Pull or \$100 Loud Auction raffle tickets, you will need to give your bid number to the person at that table.

2. The Silent Auction will be open from 6:00 p.m. to 7:45 p.m.

3. You may reserve your spot at a party via our new electronic bidding system using your own cell phone. Please see the instructions under "Electronic Bidding System" for how to reserve your spot.

4. The Gala Chairperson reserves the right to reopen for loud bidding any item that attracts unusual attention.

First Class Cargo

Look for our "First Class Cargo," a special selection of priceless silent auction items. These items will be available for electronic bidding between 6:00 p.m. and 7:45 p.m. The items in this section are identified in the "First Class Cargo" category of this catalogue, on pages 8-11, and on the online auction web site. Please be sure to read descriptions and restrictions carefully.

Express Check Out

Sign up for the express-pay option during registration and skip long lines at the end of the night! We will charge any items you have won to your designated credit card. All you have to do is collect your items at the end of the evening after receiving your receipt, and we will mail you an itemized receipt after the Gala. ALL SALES ARE FINAL.

Electronic Bidding System

We are excited to offer a new electronic bidding system via your personal cell phone. Bidding for all silent auction items and parties will be at the touch of your fingertips thru your web browser.

Click on the link found in the automated text message on your registered cell phone number.

Notice that the link also contains your bid number. Once logged in, this number will also display on your home screen.

1. When prompted, confirm your name. If the name displayed is incorrect, please see a bid helper or registration volunteer.

2. Search packages by number, keyword, category, or pull up packages with no bids by selecting "No Bid Pkgs"

3. Select Details/Bid to bid on a package

a. You can bid the next increment, set a max bid, or simply "Watch" packages.

If you enter the highest max bid on a package, the system will automatically place bids in your favor until your max bid is reached or until the auction closes. If your bid is lower than the highest max bid on that package, you will be prompted to enter a higher bid.

b. To purchase a package at the Buy Now price, click on the Buy Now button located in the upper right-hand corner of the package detail page. Do not enter the Buy Now price in the field for max bid.

4. To buy a party slot, simply select the Parties category from the home screen. Scroll down to find the party you want to go to and select "Details/Bid." On the next screen, indicate the number of slots you want to buy and click "Add."

5. To make a general donation, click on the Donate button on your home screen and choose a pre-set amount or enter the amount you wish to donate and select Submit.

Loud Auction

Note: Items may be auctioned off in a different order the night of the gala.

Paddle Raiser

The Robots Are Coming

No, they are already here! We rely on them to produce our cars, package our food, and speed our deliveries from the web to our home. Shouldn't we provide our students with a window into this complex world?

With this year's Paddle Raiser you can help your child to experience the world of robotics. Robotics supports S.T.E.M. principles and supports the concepts learned in your child's Science, Technology, and Math classes. Robotics also allows the student to experience the Engineering Design process.

The intrinsic excitement that comes from building with LEGO bricks is now taken a step further in a highly engaging process where the bricks "come alive" via the programming your child creates. LEGO has created a series of products that begins building a process in the primary grades, develops in the intermediate, and increases its complexity in the middle school.

This year's Paddle Raiser would like to provide the funding for WeDo Robotics/STEM at the elementary level and the EV3 Mindstorms Kits at the middle level students in our building.

For a grand total of \$37,000 we would have the funding to provide the hardware and software necessary for students at all grade levels to engage in ROBOTICS!
